

The KES PTA is proud to announce the opening of the

SHARING CLOSET

This closet was established based on the success of previous "bag sales" and the want and need for a community based sharing of items.

Bring your no longer needed children's items (clothes, shoes, coats, snow pants, boots) that are still in GOOD SHAPE to the KES Sharing Closet. Then shop the closet for any "new" items you may need for your child(ren).

The closet is also open to those who may not be exchanging or donating items but are just in need of an item.

There are no specific hours of operation. You're welcome to visit the closet whenever the school is open, during school hours or an evening event. The Sharing Closet is located in the hall across from the gym.

We hope that you will use this valuable asset, ALL ARE WELCOME!!!

THANK YOU TO GIRL SCOUT TROOPS 149, 218, & 3 OF KERHONKSON, WHO ARE SERVING THEIR COMMUNITY BY KEEPING THE CLOSET NEAT & ORGANIZED, GOOD JOB GIRLS!!

~~~~~

If you have children who are in need of an item but you are unable to come to KES, please fill out & return the form below. We will send the item(s) home from school with your child, if the item is available.
